Introducing the Time Timer 8" Learning Center Classroom Sets

Over 25 years ago, Jan Rogers invented the original Time Timer 8". Through the years, it has become a classroom favorite and has proven to help everyone measure and manage their time, regardless of age and ability.

Primary Color Collection: Blue, Red, Yellow
TT08B-PRM3-W | MSRP: \$104.95

Secondary Color Collection: Orange, Purple, Green
TT08B-SEC3-W | MSRP: \$104.95

With the new Learning Center Classroom Set, this teacher-favorite is now available in a multi-pack set of three. Each set comes with three timers of different colors to aid in color curriculum during the early years and for time management in color-coded classrooms. Available in a Primary Color Collection: Red, Yellow, and Blue, or a Secondary Color Collection: Orange, Green and Purple. Designed to be used in learning centers or stations, each set also includes 3 Dry Erase Activity Cards to label the learning centers as well as a bi-fold guide filled with Classroom Time Management and Learning Center ideas.
