## Introducing the New & Improved Time Timer® Dry Erase Board

The Time Timer® Dry Erase Board is now magnetic! In addition to providing a desktop-sized, one-stop shop for to-do lists, schedules, and visual time management, one can now post important notes, paper work, activity cards, or messages utilizing the magnetic surface. Available as a combined unit including a Time Timer® MOD visual timer in Charcoal Grey, Lake Day Blue, or Dreamsicle Orange, or as an accessory to an existing Time Timer® MOD. (Please note that the Time Timer® MOD must include a silicone case in order to fit in Dry Erase Board properly.)

The **Time Timer® Dry Erase Board** is an activity and message center for work, home and school. The caddy on back of Dry Erase Board allows easy storage for dry erase markers and other accessories.

The **Time Timer® MOD** is a 60-minute visual timer that's portable and easy to use anywhere—from your office desk to the kitchen counter. It can be removed from the combo pack and used independently, or kept in the built-in cubby for easy visual time association with messages or tasks on the Dry Erase Board.
