

**Make Every Moment Count!™**

Time Timer® believes in creating products that truly help people of all ages and abilities conquer time.

## Time Timer TWIST® Now with new color offerings!

The 90-minute TWIST® is an easy-to-use and fun time management tool great for kids and adults. To use, simply turn the outer ring until you get to your desired time, then push the play button. A digital display shows at a glance how much time remains.

A magnetic back makes the TWIST® a snap to display. Easily attaches to metallic surfaces for ease of use and versatile placement options.

At home use the TWIST® for everything from keeping kids' morning and bedtime routines on task to timing homework, study sessions, or baking the perfect batch of cookies.

In the classroom, it's great for everything from timing tests and turn-taking exercises to timing group activities to helping kids with special needs stay on task.

For work, use it to keep track of presentations, team-building activities, and more.
