

Make Every Moment Count.®

Time Timer® believes in creating products that truly help people of all ages and abilities conquer time.

The Time Timer® MOD Education Edition, Now Available in 120-Minutes!

By popular demand, the Time Timer® MOD now comes in a longer 120-Minute duration. In the calming color of purple, this desktop companion gives you two full hours of visual time representation, helping you reduce procrastination and focus for long periods of time. Use this silent and discreet timer, with an optional audible alert, to keep your long presentations and lectures on track. Keeping it on a desktop or table while studying or during long writing sessions allows you to see how much time is left with a quick and simple glance, ensuring your flow is not interrupted. We all have different time management needs, so use this friendly award-winning MOD timer to enhance your time awareness for all your longer-duration tasks and activities: think chores, playtime, test-taking, naptime, studying, meetings, or simply slow roasting your favorite dinner.

- Includes Free Download of Time Timer® Desktop App
- Soft White Silicone Case included
- Like all Time Timer® Products, this timer operates silently with an optional audible alert
- Universal design is perfect for neurodivergence
- Proven effective for ADHD, Autism and other cognitive differences
